Today in the Ausseerland

GlasKunstHandWerk

Christine, a graduate of the Kramsach Glass College, produces individual stained glass and Tiffany glass pictures for doors, skylights and cupboards. She also designs house numbers, personalized grave lanterns and unique animal portraits made of glass - all you need is a photo as a template. Her store also sells handmade items from the region.

Grimming

The Grimming is an isolated massif between the Enns Valley and the Hinterberg Valley. It is an imposing figure and before the mountains were measured in detail, it was long thought to be the highest mountain in Styria. The trails are all challenging in the end, making the summit ascent all the more memorable and scenically impressive.
